Pet Committee

Revisions to Rules

The Pet Committee is reviewing and revising the current Pet Rules and Regulations.

To better understand the changes being considered, please pick up a copy of the existing rules from the office.

Committee Members

Volunteers are needed to begin serving on the Pet Committee in February.

Pet owners are required to serve a six-month term every two years as long as they own a pet.

Pet Committee members will be selected in the order they appear on the committee's list of all registered pet owners by street. If a pet owner declines to serve on the committee, the owner's pet privileges may be revoked.

Pet Committee members are required to attend all committee meetings during their six-month term. If members are unable to attend a meeting, they may have a spouse or roommate attend for them. Or they may call another pet owner on their street to attend for them.

If a Pet Committee member does not attend four of the six required meetings, the owner's pet privileges may be revoked even if someone else attended for the committee member.

Please consider volunteering.

Complaints

Complaints must be submitted in writing and signed by a member of Highleah and turned into the office.

All written complaints will be addressed by and followed up by the committee chairperson..

Applications Accepted for Board Vacancy

We are in need of another board member for Highleah Townhouses, Inc.

The bylaws state that the board of directors shall consist of five members. We are now down to four board members.

The board has the responsibility to select someone to fill this vacancy until the next Annual Meeting.

If you are interested in volunteering your time and energy to help your community, please submit a resume to the on-site office staff by January 23, 2012.

The current board then will interview those interested and make a selection.
