

Please Observe Highleah Parking Rules

Safety and courtesy are the reasons Highleah regulates motorists on the property. Here are the rules Highleah members and guests are required to follow.

Parking

1. Unless specified herein, any vehicle tagged in violation of the following regulations will be tagged with a seventy-two (72) hour notification by a warning ticket placed on the windshield.
2. All vehicles (as required by state law) including motorcycles, motor scooters and mini-bikes owned by Highleah residents or their guests must be licensed properly and in operable condition. Vehicles in violation will be given seventy-two (72) hours to rectify the violation.
3. Any operable vehicle parked in guest parking for more than seventy-two (72) hours will be given twenty-four (24) hours to rectify the violation before being sent to the attorney.
Any operable vehicle parked in auxiliary parking for more than two (2) weeks will be given twenty-four (24) hours to rectify the violation.
4. Any vehicle operated on Highleah property must:
 - a. Park only in designated areas.
 - b. Obey speed limits (15 mph).
 - c. Obey stop signs.
 - d. Drive in a prudent manner.
 - e. Be operated by a licensed driver.
 - f. Must have a valid license plate.
5. All vehicles, including motorcycles, motor scooters and mini-bikes, owned by Highleah residents must be registered in the office and display an appropriate Highleah (primary or auxiliary) sticker. The sticker is to be placed on the left rear window or left rear bumper.
Motorcycles must display the sticker on the fender or below the license plate. When a vehicle is sold or exchanged, it is a member's responsibility to file a new registration permit with the office within ten (10) days.
6. One vehicle per licensed driver. First and second vehicles to be parked in numbered and guest spaces. Any other vehicles must be parked in auxiliary only.
7. Any vehicle rated three-quarter ton or more must be approved by the Board of Directors and must park only in auxiliary parking.
8. Any member's vehicle used for employment (a company vehicle) must park in numbered or auxiliary parking.
9. No boat, trailer or camper can be parked or stored on the premises, except in the storage lot.
A member may bring a boat, trailer or camper on to the property for the purpose of loading or unloading for a trip or outing not to exceed overnight in length of time.
10. Motorcycles, motor scooters and mini-bikes will be parallel parked at the head of the numbered parking space so that a car can be parked in the same space.
11. No motor homes or recreational vehicles can be parked in Highleah except for the purpose of loading and unloading.
12. No parking on the grass or sidewalks and absolutely no double parking. After two (2) warnings, violator accounts will be sent to the attorney.
All vehicles must be parked in a manner in which the vehicle does not hang over the sidewalks. Vehicles extended over the sidewalk create a hazard for people walking or children playing on the sidewalks. It also prevents the Maintenance Department from mowing or removing snow.
13. No major overhauls and/or repairs will be allowed on vehicles on Highleah premises. The only repairs permissible will be those of a minor nature, such as changing tires, spark plugs, etc.
No vehicle should be left unattended while on jacks or jack stands. All repairs must be completed within twenty-four (24) hours.
The work area must be returned to its normal condition (scrap material, antifreeze, oil and grease spills must be removed from the parking spot).
All oil and antifreeze must be disposed of properly and taken to an auto supply shop to recycle.
DO NOT put old or excess oil or antifreeze in the trash or down the sewers.

Highleah, Independence Square Win Second Place in Halloween Parade

Highleah Townhouses, Inc., and Independence Square Townhouses, Inc., earned a second-place trophy in the commercial float division of the 64th Annual Halloween Parade.

Proudly promoting cooperative living, staff and board members from the two housing cooperatives shared in the fun of the parade competition on October 27 on the historic Independence Square.

All entries were required to use a Halloween theme. Tombstones with the names of Highleah and Independence Square townhouses decorated the sides of the float. Also featured was a replica of a townhouse.

Dave Johnson, part-time maintenance technician at Highleah, enjoyed clowning around with his daughter and grandchildren at the parade.

Witch Martha holds the second-place trophy awarded to Highleah and Independence Square.

You may not recognize these three costumed cooperative characters: witch, Martha Ramcke; little girl, Sheryl Frank and Father Time, Carol Gibson. Martha is the assistant on-site manager at Independence Square, where Sheryl is vice president of the board. Carol is the longtime on-site manager of Highleah.
